RM OF LAURIER No. 38
PROGRESSIVE PRAIRIE PRODUCERS

505 HEALY AVE, RADVILLE, SK | rm.38@sasktel.net | (306)869-2255

First and Foremost...

The RM Office is here to serve the people of our great Municipality. Your Division Councillors are here to help. If you have any direct questions or concerns regarding municipal affairs, they are there for you.

Sam Kalmbach continues in his role as Administrator for the R.M. of Laurier No. 38. He remains committed to fostering a cohesive and efficient municipal environment that supports Council, staff, and ratepayers alike.

In early 2025, Jewell Snelgrove moved on to new opportunities after serving as Administrative Assistant. The R.M. has since welcomed **Shannon Bourassa** to the role. Shannon has been a valuable addition to the team and has quickly adapted to the responsibilities of the position.

Max Johnston continues in his role as Foreman of Public Works for the R.M. of Laurier No. 38. He provides leadership and coordination across all areas of public works operations, assisting with everything from gravel haul sites to weed spraying and general infrastructure maintenance.

Working alongside Max are our municipal Public Works Operators, Jeff Dyck and Kevin Dyck.

Jeff Dyck joined the R.M. of Laurier No. 38 in the spring of 2023 and currently serves as our primary grader operator. He is responsible for pulling shoulders and reshaping municipal roadways, playing a key role in maintaining and improving the overall condition of our road network.

Kevin Dyck recently joined the R.M. of Laurier No. 38 as a Seasonal Operator for the 2025 season. While new to grading operations, he has proven to be a quick study and supports both Jeff and Max in a variety of tasks as needed across the municipality.

R.M. Council 2025

Reeve: Alan Krausher (306)869-7095
Division 1: Allan Tytlandsvik (306)869-7129

RM OF LAURIER No. 38
PROGRESSIVE PRAIRIE PRODUCERS

505 HEALY AVE, RADVILLE, SK | rm.38@sasktel.net | (306)869-2255

Projects Underway:

Clay Capping: One mile of clay capping is currently in progress on Range Road 182, east of Sections 3 and 10-05-18 W2. This project is intended to improve road stability and reduce snow buildup in the area.
Culvert Work: No major culvert projects are planned for 2025. Routine repairs and replacements will take place in the fall as needed.
Bridge Work: The Martin Bridge Replacement Project (N.N.E. 08-05-16 W2) was successfully completed in 2024, with a total capital cost of $1,294,167. No bridge work is scheduled for 2025.
Road Work: The RM is actively performing shoulder pulling on Township Road 60 (west of the highway) and the 705 Grid (east of the highway). Pulling operations have been successfully completed on Laurier Road (Township Road 62).
Gravel Crush and Spread: The 2025 gravel spread is currently ongoing on municipal roadways. In addition, the RM is actively crushing gravel to replenish inventory for use in future years.

Stay Connected:

The RM is getting a **NEW website**! It is still under construction, however feel free to check it out.
rmoflaurier.ca

The RM also hosts a **Facebook** page where information is posted frequently.
